

PROBOUNCE[®]

Surfacing solutions by NGI Sports.

Ideal surface solution for concrete courts in humid Caribbean environments.

Resilient & hard wearing courts with a long warranty.

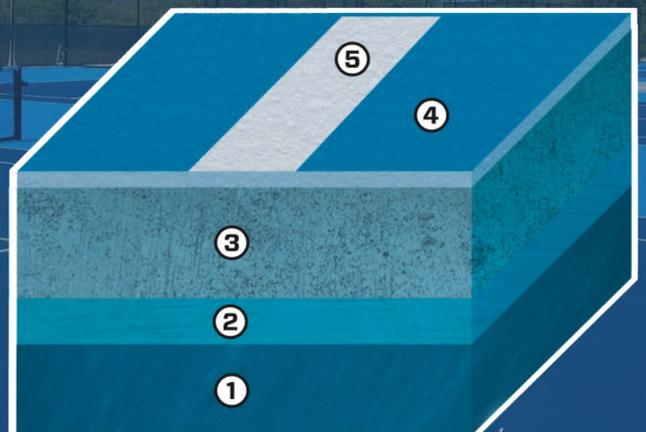

Guaranteed against cracking, blistering & bubbling.

Clay like cushioning enhances player comfort & uniform ball bounce.

Perfect solution for badly cracked courts.

Choose from a large range of colors for your finished court.

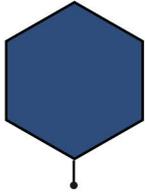

1. Crushed rock, post tension concrete or asphalt.
2. Moisture-proof stable backing.
3. Synthetic fibers & infill with polyseal binder.
4. Color finish.
5. Game lines.
